ROMANIAN ORIENTEERING FEDERATION IN CO-OPERATION WITH THE MUNICIPALITY OF RÂMNICU-VÂLCEA INVITE YOU TO **GRAND PRIX ROMANIA**

Dear Orienteering Friends,

The local government of the city of Râmnicu Vâlcea has and is constantly engaged and involved in supporting all competitive events and local sports movements – whether amateur or professional, junior or senior. We are making this step with confidence, that on the one hand, the harmonious development of each citizen cannot be done in the absence of movement, on the other hand, that sport is the best ambassador of a community and also, is the most representative business card that we can show the world.

We are honored that this year's edition of the Southeast European Championships for Cadets, Youth, Juniors, Seniors and Masters, The Latin Countries Cup, National Orienteering Championships and Grand Prix Romania are held in Râmnicu Vâlcea, Vâlcea county, and we see this as a recognition of the value that romanian orienteers have - a sport discipline with a long tradition in our country and also an appreciation of the beauty of these places.

We are pleased that for several days you will be our guests and we hope that after this competition you will remain with beautiful memories from Râmnicu Vâlcea and Vâlcea county.

I wish much success to all the participants at these meetings and I wish you to find always the way, both in sports competitions to come, as well as in his personal life.

Emilian Frâncu,
Mayor of Râmnicu Vâlcea
