Romanian National Championships Carpathian Orienteering Trophy Breaza Town Cup

Dear Orienteering Friends,

Please, find enclosed the **Bulletin Nr. 2** of our competition, Carpathian Orienteering Trophy 2025. It contains few updates from Bulletin Nr. 1:

- ❖ **The technical data are available.** The course setting is defined. The control point locations within the forest have been successfully marked and the course control is completed by now. Stunning courses designed to test your abilities are waiting for you. All your Orienteering skills will turn to good account. So, come to be the best! Nice places and wonderful landscapes will delight you. **A special leg**, on the top of the hills, will offer you **a delightful panoramic view towards the peaks of Bucegi Mountains, Baiului Mountains and Subcarpathians' Hills.**
- ❖ **The program for Model Event is improved:** The cluster of controls within Gurguiata area will be available on August 20th, from 12:30 to 18:00 and also the one in Ghiosesti /Belia Valley will be available on August 21st, from 9:30 to 12:00.
- ❖ **A WarmUp map, with Control Points**, will be available at **Urban Sprint** stage, covering the area from Parking to the Quarantine.
- ❖ **On Saturday, August 23rd** – the day we joyfully come together for a grand picnic – we will have a real **“Orienteering Celebration Day”**. Celebrating Orienteering during the national and international competitions held in Comarnic - always in an unforgettable atmosphere - has become a cherished and meaningful tradition. **So, don't miss it!**
- ❖ **The second deadline for entries is one month later**, on May 30th, supporting those who intend to register in this period. Also, **the third deadline for entries is one day later**, on August 10th, same deadline as for Romanian runners.
- ❖ **The entry fee specified for SEEOA** countries will be applied for **Hungary** also.
