"It is a great pleasure, as the Romanian Orienteering Federation's president, to invite you to the 2018 National Orienteering Championships, in the County of Alba where 100 years ago took place the most important event in Romanian history, the union of all Romanian provinces in a single state.

We are looking forward to seeing you in Alba Iulia, in "the Other Capital", to enjoy good orienteering breathing the air of history and admiring one of the most beautiful European citadels, the Alba Carolina citadel."

***Natalia DECONESCU,***  
*Președinte al Federației Române de Orientare*

„It is a special honor for our club to host The National Orienteering Championships exactly this year when we celebrate 100 years from the Great Union, done here in Alba Iulia. Also, being designated as the competition's director, it's an honor and a challenge in the same time for me and my team, to try to raise to the level you'll expect.

Orienteering will be the forth sport for which our club will organise national finales, in 2018, the centenary year, after March, Powerlifting and Weightlifting.

Waiting for you with great pleasure to discover the beauties in the Alba County"
